Class Celebration Jar

Each class is to work as a team to fill their Class Celebration Jar to work towards a class treat that they have chosen. This is a reward jar so once marbles are awarded they cannot be removed for a sanction. Sanctions are linked to the traffic light system.

- ↳ Each class in school will have a Class Celebration Jar and 50 marbles
- ↳ One marble to be rewarded at a time. This can be for a class, group or individual achievement.
- ↳ The jar is to be filled with marbles as a reward for following the school rules and showing 9 habits behaviours (examples on the behaviour expectations document)
- ↳ At the start of each term the class will agree what their class reward will be when the marble jar is full and this should be displayed above the traffic lights in the classroom and shared with parents on class dojo. It should be linked to an area of the curriculum. E.g. Film linked to a curriculum area chosen by the children, PE, Art, computing, music, science, class interest.
- ↳ When the jar is full all the children get to take part in the class treat.
