Leading questions		<i>I've just joined school and I'm learning about my place in the world.</i>	<i>I've learnt who I am and where I'm from, what about others and other places?</i>	<i>I've learnt about other people and places, but how do they help?</i>	<i>I've learnt about how people help us, but how can I look after myself?</i>	<i>I've learnt about how I can look after myself, how can I look after the environment?</i>	<i>I've learnt about things that grow, but what about man made creations?</i>
Main	Topic	All about me and my family	Festivals	People Who Help Us	Healthy Eating	Growing	Transport
	DM Birth -3	Establish sense of self Express preferences and decisions Make connections between their families and others	Notice and ask questions about differences	Notice differences between people	Show a desire to want to feed themselves Start eating independently and learn how to use a knife and fork	Explore natural materials	Explore materials with different properties
	DM 3-4	Begin to make sense of their own life-story and family's history.	Continue developing positive attitudes about the differences between people. Know that there are different countries in the world and talk about the differences they have experienced or seen in photos.	Show interest in different occupations.	Make healthy choices about food, drink, activity and toothbrushing	Plant seeds and care for growing plants. Understand the key features of the life cycle of a plant and an animal. Begin to understand the need to respect and care for the natural environment and all living things.	Explore how things work Talk about the differences between materials and changes they notice.
	Reception	Self	Around the World Christmas around the world	Our planet Castles and Knights	Self Growing	Life cycles Seasons Our Planet	Our planet
