

In Nursery, our main topic will be **Transition and Animals**, and in this topic we will be focussing on different types of animals and where they live. We will also be talking about the transition to Reception. Some of the books we will be reading are: We're Going on a Bear Hunt, Dear Zoo and The Very Hungry Caterpillar

In **Literacy**, we will be learning how to predict what will happen at the end of a story. We will continue practicing to write our names and giving meaning to the marks we make.

In **Maths**, we will be learning to about capacity, height and length. We will put numbers in order and start learning how to write them.

We will be getting some super special visitors arriving in week 3: **caterpillars!** We will learn all about their lifecycle and how to care for them.

## WHAT YOU CAN DO AT HOME TO SUPPORT THE ENGLISH LEARNING:

Read your child's SABAH book with them every night.

Ask your child to tell you what will happen at the end of the story before you get to the last page.

Look for words together in the environment at home or when out at the shops.

Ask your child to practice writing their name. Remember to only use upper case for the first

letter.

## WHAT YOU CAN DO AT HOME TO SUPPORT THE MATHS LEARNING:

Point out numbers in the environment at home or when walking to school. Practice naming them with your child.

Point about the size, length and height of things around the house.

Practice counting with your child, it can be anything! The plates for dinner or the apples you bought at the shop.

Sing number songs,

<https://www.bbc.co.uk/teach/school-radio/nursery-rhymes-songs-index/zhwdgwx> has all our favourites.

Play games, <https://www.topmarks.co.uk/maths-games/3-5-years/counting> has all our favourites.
