

In Nursery, our main topic will be **Light and Dark** and we will be reading lots of different books about this. These will include:

In **Communication and Language** we will be having group times with Ginger Bear to help us with our speaking and listening skills. Ginger Bear sends home a certificate every day to the best listener!

In **phonics** we will be starting our phase 1 activities to help us tune into sounds. We will go on listening walks, play instruments and learn how to make sounds with our bodies.

We will be celebrating lots of different things including Bonfire Night, Diwali, Remembrance Day and Christmas! We are going to be very busy making crafts for these such as fireworks, Diva lamps, poppies and Christmas cards.

READING TO SUPPORT OUR LEARNING:

When your child returns to school after the half term we will be giving them a book to look at with you at home.

Books will be given out on a Thursday and are only to be brought back to school the following Thursday. **Please do not send your child's book in every day.**

These books are not reading books for your child, they are for you to read to your child and talk about with them.

WHAT YOU CAN DO AT HOME TO SUPPORT THE LEARNING:

- Encourage your child to talk to you in full sentences
- Talk to your child about what you are doing at home, for example, when you are playing with them or when they are watching you cook
- Show your child videos on Youtube or read books about the various celebrations that take place in November and December
- Encourage your child to listen when someone is speaking to them
