

We have planned a very exciting half term in Reception.

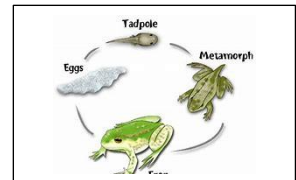

Literacy We will be reading lots of books about dinosaurs, and learning words to describe fossils, dinosaur habitats characteristics. We will also be reading books about Spring, including *Growing Frogs* and *The Rhyming Rabbit*.

Maths We will be learning about numbers to twenty. We will be counting, ordering, finding one more and one less, and sharing objects into equal groups. We will also be doubling and halving small sets.

The World We will be learning about dinosaurs and the ancient past. We will be learning about Spring, and new growth. We will be observing some frogspawn change, and grow into tadpoles.

Phonics We will be learning more Phase three sounds and words, and doing lots of practise at segmenting and blending words to read and write simple sentences.

Expectations of Writing in Early Years.

These are the stages of writing that a child needs to go through and develop before moving onto the next stage. It is an important process and each child needs to develop at their own pace. Please encourage any type of writing with your child.

Phonics in Reception.

In Spring B we will be continuing to learn phase 3 phonics alongside our tricky words. The children will be focusing on digraphs (2 letters that make one sound).

Here are some websites to help support your child's learning of phonics.
