

We have planned a very exciting half term in Reception.

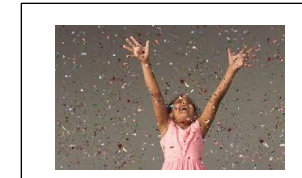

Literacy. We will be reading lots of different books about the world we live in and about outer space. The children will look at growth and change and develop an understanding of how we grow fruits and vegetables.

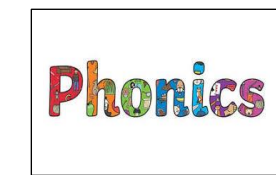

Maths We will be learning about shapes, patterns, money and different types of measurements. The children will be looking at different ways to measure objects around the classroom and in the outdoor environment.

The World. We will be looking at different ways of life, including religion, beliefs and the different celebrations we all attend. The children will be looking at different environments and the conditions to grow fruit and vegetables.

Phonics We will be learning more Phase three sounds and words, and doing lots of practise at segmenting and blending words to read and write simple sentences.

Tapestry and Homework

Your child will receive homework every **FRIDAY**. Please ensure that they complete each section of the homework Maths, English and Phonics.

Oasis Academy Temple Learning Log
Please complete all of the activities on the Learning Log and post it back to your teacher on Tapestry by Wednesday. (Do not send any work in by hand just send a photo of the work done).
