

This is going to be a very exciting term for Year 3!

In English, we are going to be: defeating monsters, reading and writing our own list poems and creating our own diary entries.

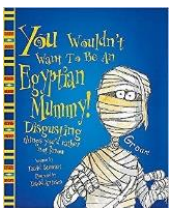

In Maths, we will be focussing on time and fractions.

In Science we will be learning all about Animals including Humans. We will be learning about balanced diets, food groups, the skeleton and muscles.

And finally, in History, we are going to be studying Ancient Egypt! Sphinxes, tombs, mummies, gods, Canopic jars; it's going to be awesome!

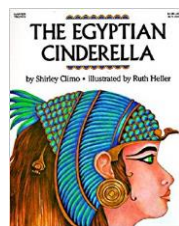

READING TO SUPPORT OUR LEARNING:

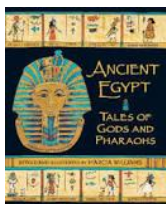

You wouldn't want to be an Egyptian Mummy!

Egyptian Cinderella

Read with your child - Use Myon

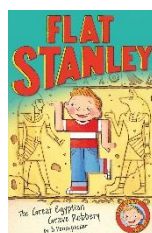

Practice Mindfulness- Find time to spend time with your family away from screens.

Tales of Gods and Pharaohs

Remember: we still have access to Sumdog, and Yumu

Flat Stanley and the Egyptian Grave Robbery

If you wish to do some research about this topic/project then you can look at this website which has lots of information about the Egyptians:
