

Capturing History – an Easter Holiday that will be remembered forever

Try to do one of these activities every day over the Easter holidays.

Remember to keep a record of all these things. You are making history

Year 2

<p>Make a rainbow of hope message and put it in your window</p>	<p>Make a thank you card or write a letter to someone who is helping others e.g. To someone who works in a hospital, nurse, doctor, pharmacist, carer, ambulance driver.</p>	<p>Write a diary entry for today. Say what you have done and what you have thought about. Draw a picture in your diary of something that has made you happy today.</p>	<p>Can you design a new doctors/nurses uniform to protect the staff from the virus. Explain how each part works by labelling your diagram/picture.</p>
<p>Interview some members of your family Ask them about their feelings, worries and their moments of happiness during the virus. Write 5 questions down before you interview them so you know what you are going to ask them.</p>	<p>Find out about someone in the news linked to Coronavirus. Maybe someone who has helped others. Is there anybody in the local area helping people with shopping?</p>	<p>Make up a cartoon strip. Invent a super hero who can defeat Coronavirus. What magic powers would you give your hero?</p>	<p>Make a feelings and thoughts feather. Write a positive message/compliment on the feather and give it to somebody who has helped you or made you feel happy.</p>
<p>Write a letter or make a card for someone who you are missing. Send it to them virtually or through the post. Try to make them smile.</p>	<p>Make a poster about social distancing. What are people allowed to do? What should people remember to do to keep safe?</p>	<p>Use objects around the house or garden to make a piece of art and a message of hope in the style of Andy Goldsworthy. You could use natural things or objects round the house. Ask your parents to photograph it.</p>	<p>Design a board game around Covid19 and what is happening. Make sure you include some good things as well as some of the bad events.</p>
<p>Write a time line of the things that you have done while you have been at home. Things</p>	<p>Draw a type of family tree to show all the different groups of your</p>	<p>Write a diary entry for someone else. It could be someone in your family or it could be someone in the</p>	<p>Watch a news bulletin. Watch Newsround. Write a newspaper article for the next day's newspaper.</p>

<p>you have done with your family.</p>	<p>family and where they are living now.</p>	<p>news or it might be a key worker. Try and imagine how they feel.</p>	<p>Remember a headline.</p>
<p>Scientists are working really hard to find a cure for Coronavirus. Find out about a scientist that has invented a cure for another disease.</p>	<p>Imagine it is the year 2080 and you are being interviewed about 2020 by your great grandchildren. Write what you would tell them.</p>	<p>Imagine there is a special potion that can defeat Covid19 buried somewhere in the world. Make a treasure map with instructions about where to find it</p>	<p>Design a graffiti wall with a message to everyone.</p> 
<p>Look around you. Spring is everywhere. What signs of spring can you see from your window? Draw a picture and label the spring things that you have seen.</p>	<p>Write an acrostic poem. Use the letters C O R O N A V I R U S</p>	<p>. Make a poster about defeating the virus</p> 	<p>Pretend you are a news reporter. Write a report in 200 words about what is happening in the UK today.</p>
<p>Do something special with your family. It might be a nice meal, a game, a story, a funny time. Write about it and say why it is special.</p>	<p>Remember the story of George's Marvellous Medicine. George sets to work on the medicine at once, adding everything from jujube fruit juice to spices, shoe polish, engine oil, and toothpaste... It has some surprising effects. Invent your own recipe to defeat the Coronavirus.</p> 	<p>Exercise is important because it is important to keep fit when we can't go out. Make up an exercise routine or dance. Can you write it down so someone else can do it.</p>	<p>Use your imagination and invent a Corona monster. You could draw it, model it and describe it. Maybe you could make a wanted poster for it.</p> 

Bake a 'thank you NHS' cake, cupcakes or brownies with an adult in your house to thank everyone that is working hard in hospitals.

Do something kind for a family member to make them smile. Could you help around the house or tidy your bedroom?

Create a picture diary and draw a picture to show what you have done each day and how you are feeling.

Make a monster or robot to defeat the virus out of recycled rubbish from around the house.
