What Did the Vikings Do for Me?

The Rough, Stormy Age of Vikings: The Disgusting Details About Viking Life

The Vikings

MyON Viking Book reviews

Read all about the vicious Vikings and find out how these fearsome warriors lived! Learn about Viking loot and terrorising raids. Discover the Viking gods and the mysteries of their afterlife. Read on about amazing Viking stories, find out about deadly blood feuds, and learn what would happen to you if you became a Viking slave as you hunt down the secrets of the dead!

Very historical and non fiction

The most important information is written which is who they are/what they do/where they live and where they travel to/when they attacked Britain/why they killed and robbed.

If teaching some annoying kids 'the vikings' book is very very very very Good for history teachers. I would really be interested in the book if I was studying. Personally I think it is packed with a lot of facts about Vikings and I enjoyed it.

In my opinion the book 'the Vikings' was interesting but it is long so I don't think little kids would want to read it maybe adults would like to read it but I think maybe if your in year 5 or 6. I can't change the way you think about it. Some adults like historical books.

WHO ARE THE VIKINGS ?

THE VIKINGS ARE VICIOUS RAIDERS WHO LIVED IN FJORDS OF NORTHUMBRIA AND TRAVELLED ACCROSS THE SEA IN LONG BOATS.THEY RAIDED THE MONASTERY OF LINDISFARNE IN 793 CE .

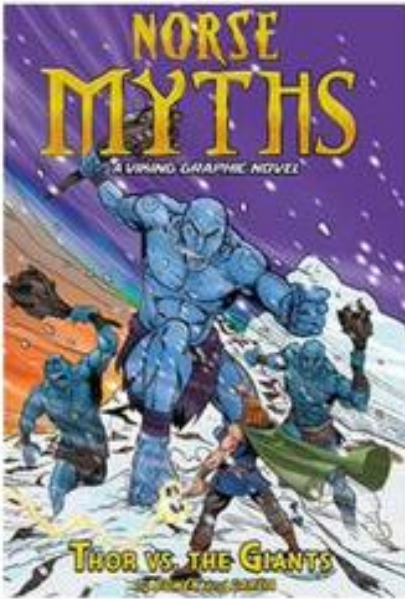

I RECOMMEND THIS BOOK IF YOU'RE INTERESTED IN MYTHOLOGICAL INFORMATION BOOKS.THIS BOOK REFIANTLY GIVES WILD INFORMATION AND HELPS U UNDERSTAND MORE DEEPER SECRETS ABOUT THE VICTORIOUS VIKINGS.

Interesting facts

FOUL FACT:ONE GROUP OF VIKINGS CELEBRATED WAR VICTORIES BY HAVING A FEAST ON THE BATTLEFIELD AND COOKED THEIR ENEMIES AS A FIRST!

DID YOU KNOW VIKINGS WERE NOT BURIED WITH THERE WEAPONS ,INSTEAD THEY WERE PASSED DOWN TO THE NEXT GENERATION? DID YOU KNOW THAT VIKINGS DID NOT WEAR HORNED HELMET INTO BATTLE?

Gross facts about vikings

Guided reading

author: Vonne, Mira

illustrator: —

Genre: History

This book is about vikings how they came ^{for} raided over 300 years how they lived.

I liked about how the berserkers when they were injured and how when there blood was rushing they kept fighting which means they were very brave men

I disliked how when they were victorious with their their battles they feasted on the dead bodies on the battle field which is

well summarising this is that vikings are brave strong and fierce people who are always victorious in their battles really if you like to laugh and love non-fiction then this is for you

My rating would be 8/10 because of them feasting on dead bodies

Gross facts about

Vikings

Author: Vonee, Mira

Illustrator: -

Genre: Non-fiction, historical

This book is about Vikings and gross things they did. I like how detailed it is. It also told me facts I never knew before.

~~I don't like how disgusting I dislike how gross and uncomprehensible it made me feel. But that's how it is meant to make you feel so personally I give it a 5 star.~~

It has lots of colours and I likes
when my favourite bit was the
end. It was funny. My favourite
character was the man character.
Then I hated the bit when the
bully came in at the start.

Book Review - Norse Myths: The Death of Baldur

Author: Simonson

Illustrator: Garcia

This book is about a god (Odin) and goddess (Frigg) who have 5 sons and Baldur is their favourite. Loki is jealous of Baldur so he does some ~~stuff~~ ^{things} he probably wishes he didn't...

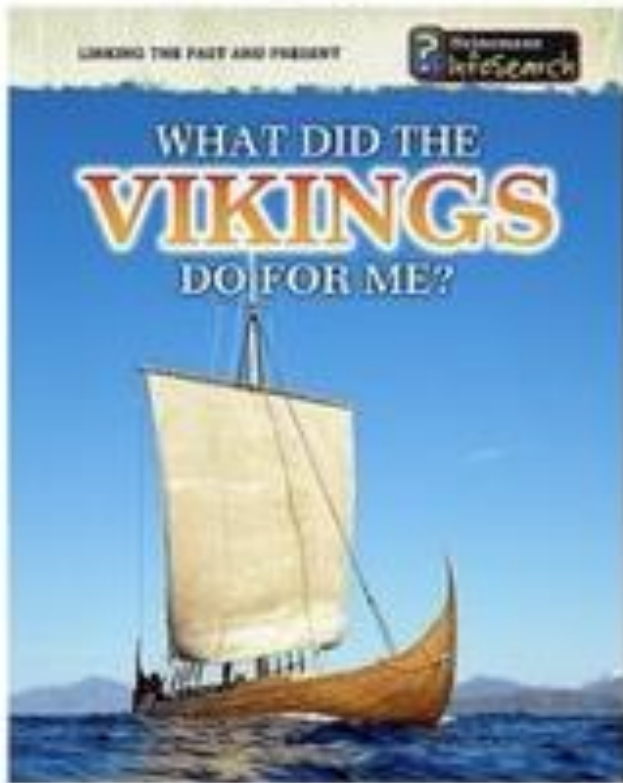

What I like about the book is that it just seems kind of funny how people waste their time everyday throwing weapons at Baldur and think it's fun.
In general I like the book!

What I don't like about the book is that Frigg could've just taken 2 seconds out of her time to make mistletoe not be able to hurt Baldur but she didn't because she thought it was too weak and later regrets all her decisions. Another thing I hate is that my favourite character, Hodur, ~~is~~ (the blind son of Odin) dies because he got fooled by Loki and still Loki gets away with it.

I would recommend this book to people who like myths (like me) would like this. ^{People who like fiction books also would probably think} ^{Additionally,} this book would be nice because myths are fictions so if they give it a go they are more likely to like the series.

Out of 5 I would rate the book 4 stars ★★★★★

This book is a very good fact packed book with a lot of information on Vikings. It is very useful if you are using the book for a school project because it has all the information you need. I wouldn't recommend this book for kids because it is a very formal book with a lot of complex words that they would most likely not understand. My opinion on this book is that it is too big and not entertaining also it is too many facts and it is like the whole Viking age.

Title: Gross facts about the vikings

By: Mira vonne

This book was quite informal and it let out some interesting information about the vikings. The book had a ~~lot~~ of discussing parts like when ^{they} dug up a hole for a toilet or when some warriors bit themselves. eww! However it still got me turning the pages filled with the fascinating evidence. There were a few parts I wasn't interested in like ^{the part} about injections but ~~overall~~ in general I think it wasn't bad. I recommend this book for someone learning about the viking or anyone whos up for a repulsive surprise. My overall thought about this book leave me with a rating of 4/5.

My Rating: ★ ★ ★ ★ ☆ 4³ and a half stars.

I give this book 3 and a half stars, the thing i like about this book is they describe the viking as fierce warriors. There was a point when i got shocked vikings invented ice skating. I learned alot about the vikings. The thing i dont like is when it shows people fighting. I would totally recommed this!

Gross Facts About the Vikings- Book Review

Author-Mira Vonne

Publisher-Capstone Press

This is a non-fiction and historical book

This book tells a lot of shocking, yet gruesome facts about the Vikings. If you are easily disgusted, I strongly do not recommend this book. If you like to hear gross facts about the Vikings, this is the book for you! You may think some parts are horrible, but the further into the book you get the better. It was very informative as it told me a lot of things about Vikings that I didn't know were true. Because of the revolting pictures on the pages, I rate this book ★ ★ ★ ★ out of ★ ★ ★ ★ ★.
