Dear Parent/Carer,

Welcome back to the new Autumn Term – it is lovely to see all the children back looking smart in their uniforms ready for a new academic year. We hope you all had a fantastic summer and are looking forward to the year ahead. We are writing to you today with a number of updates and reminders.

Mrs Lesley Crew and I, along with the academy leadership team, will continue to lead the Academy. Ms Talib will continue to work off site. Of course we will update you all when this arrangement changes.

Over the Summer we have had some work done around school both enhancing the learning environment and ensuring we continue to improve the safeguarding of the children. As part of this work there have been improvements made in the Reception area adding a couple of walls and remotely controlled doors, ensuring access to the school is limited to accompanied visitors only.

Can we also take this opportunity to ask you to ensure that you park legally and safely on the roads around school. We have received several complaints from local residents about emergency accesses to their property being blocked. We have asked for the local PCSOs and police to provide a presence on the roads at drop off and pick up times to help with this situation.

Finally, please can we encourage you to write your child's name in their uniform and any packed lunches– this will help with lost property and help your child look after their belongings.

We are looking forward to working with you and want to thank you all for your support starting this new academic year.

Executive Principal of Oasis Academy Temple
