Sept 2019

Dear Parent/Carer

Milk is good for us as it helps build up our bones and is good for our teeth. If your child is under the age of 5 years old milk is free. If they are aged 5 years or older, the price of school milk is £7.00 per term or £21 for the whole year. Please note that the cost of milk is subsidised by the school to keep costs down for parents.

If you would like your child to have milk this term please pay £7 by **ParentPay**, or £21 for the year and return the slip below no later than Friday 20<sup>th</sup> September. If you have not yet set up a **ParentPay** account please see the office staff.

We will not be able to take any more orders for milk after this date.

Yours sincerely

Mrs R Footat  
Vice Principal
