Dear Parents and Carers

This week we will be sending home a Guided Reading book for you to share with your child at home. This book is for your child to practice book skills such as turning the pages one by one and using the pictures to describe what could be happening. As the children progress with their Guided Reading and Phonics lessons they will start to be able to read the books phonetically.

We will also be sending home Reading Records. Please write the name of the book your child is reading as well as your name and the date each time you read. There is also a space for any comments you would like to make about your child's reading.

Books should be brought into school every day and will be changed on a Thursday. If you would like your child's book to be changed mid-week please write this in the comments section of the Reading Record and we will change it that day.

If you have any questions please let your child's class teacher know.

Thanks,

Reception Team
