

6th January 2021

Dear Parent or Carer,

Partial Academy Closure

As many of you will know, the government has announced a new national lockdown to stop the spread of the coronavirus. We again apologise for the late notice of these changes; we are sharing this with you as quickly as we can.

You can read more information about the national lockdown on the [gov.uk website](https://www.gov.uk) or by searching 'gov.uk national lockdown'

Nursery

The nursery is to be open for children of critical workers and those children determined as vulnerable by the government criteria. We will of course have all the normal safety precautions in place.

Please note, this position may change once we have received further information from the government in due course, and we will of course keep you updated.

Children of key workers or 'vulnerable children - Reception to Year 6

As part of the new national lockdown, primary schools (from Reception onwards) and secondary schools are now only open for certain pupils.

From Wednesday 6th January, the Academy has opened only to children of critical workers, and those children determined as vulnerable by the government criteria.

All other pupils

All children that are not eligible for a place are being asked to learn remotely until February half term. We are of course sorry that we are not allowed to open to everyone. The staff team will continue to work hard to ensure that all the children, either in the Academy or learning from home, will have access to high quality teaching and learning.

Ms. S. Talib. Principal.
BA (Hons) QTS Med NPQH

If your child receives free school meals, but they are not currently eligible to come to school, then we will be making arrangements for food provision.

If your child has any difficulty in accessing remote learning, please be in touch with us directly.

Thank you for your continued support, and patience as we make new arrangements once again in response to the new national lockdown. It is our sincere hope that with the vaccines rolling out over the next couple of months we are moving closer to the moment when our whole school community can be together again safely.

Yours sincerely,

Mrs Crew
